

Padre Dam in Santee scheduled for a Re-Roof

RSI Roofing of San Diego has signed a contract with the **Padre Dam Operation Center** to re-roof a total of 11,000 square feet at 9120 Carlton Oaks Dr in Santee, CA. **RSI** will be installing 4500 sq ft of *Certainteed* Shingles on the mansard section of the building and 6500 sq ft of an *Everguard* Single-Ply 60-mil TPO system on the low-slope section of the building. The re-roof will be done in accordance with the California mandated title 24 cool-roof energy requirements, according to David Susi, president of **RSI Roofing**.
